

Parents can access their student's interim report in their Focus Parent Portal.

Log into your **Focus Parent Portal** account at <https://browardschools.focussoftware.com/focus/>.

Select the **Reports** tab at the top of your student's block.

Select the **INT1 Progress Report** link to open a PDF version of the interim report.

The interim report will open in a new window.

Select the printer icon in the top right to print the interim report.

Select the folder with arrow icon in the top right to download the interim report.
