**Message from  
Superintendent of Schools  
Dr. Howard D. Hepburn**

On behalf of The School Board of Broward County (BCPS), and the Economic Development and Diversity Compliance department (EDDC), I am delighted to unveil the 2024-2026 Inaugural Broward Business Directory.

This directory showcases our Certified, Emerging, Small, Veteran, Minority and Women-owned businesses. The directory offers valuable insights into the products and services our certified businesses offer.

Additionally, it serves as a resource guide for our small, local businesses, providing guidance on how to successfully engage in doing business with The School Board of Broward County.

Since the Economic Development and Diversity Compliance Department was established, we have been dedicated to promoting diversity and inclusion in our business operations and enhancing economic growth within the local business community. This commitment is demonstrated through our comprehensive Certification Program, Goal Setting Committee, Contract Compliance, and various Community Outreach initiatives.

Since its inception, The Economic Development and Diversity Compliance Department has successfully certified over 600 firms across all business categories.

I extend my heartfelt gratitude to our proactive School Board members for paving the way for small business success. As a District, we recognize that this success directly benefits our most precious assets: our students, families, and businesses. I take pride in the progress we've achieved.

I am confident that you will discover the valuable and beneficial information contained within these pages.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Hepburn', with a long horizontal flourish extending to the right.
