

# BACK TO SCHOOL

## HEALTH & WELLNESS

Florida  
HEALTH

**MAKE SURE YOUR CHILD IS GETTING BACK INTO THEIR ROUTINE BEFORE SCHOOL STARTS**

### **KEEP KIDS STRONG FROM THE INSIDE OUT**

Your child's overall good health can be fostered through eating nutritious foods, getting regular physical activity, and maintaining good sleep habits.

#### **Healthy Eating**

Proper nutrition is essential for children to grow and develop. Focus on fruits, vegetables, and protein. Limit sugar, saturated fats, and processed foods.

#### **Regular Exercise**

Encourage your child to be physically active for 60 minutes or more each day, like active play at the park or organized sports.

#### **Getting Enough Sleep**

Sleep is just as important to your children's development as nutrition and physical activity. Recommended sleep by age:

**3-5 years**  
**10-13**  
HOURS

**6-12 years**  
**9-12**  
HOURS

**13-18 years**  
**8-10**  
HOURS

### **COUNTY HEALTH DEPARTMENTS SUPPORT THE COMMUNITY**

Contact your health care provider or local county health department (CHD) about back to school health and wellness to get your kids ready for a successful school year, inside and out. County health departments provide **year-round services**, including:

Primary Health Care Services

Immunizations

Disease Screening

Birth Certificates

### **LOCAL CHD EVENT(S)**

**In anticipation of the new school year, your local county health department will be providing the following:**

\*Each child must be accompanied by a parent or legal guardian. Please bring the child's immunization record.

**For more information on school immunizations, visit:**
