MEET OUR TEACHERS!

MS. MCLEAN

Ms. Mclean has been an educator for over 20 years. She graduated from FAU with a Bachelor's degree in Elementary Education. She chose to become a teacher based on the inspiration her mom gave her over a lifetime. Her passion is teaching and motivating students to become independent and lifelong learners!

MS. KOBELIN

Ms. Kobelin is a lifelong learner and strives to instill the love of learning into all of her students. She grew up in Davie and graduated from Florida Gulf Coast University. This will be her second year teaching 2nd grade and she is very excited to share her love of learning with her students!

MRS. VENDRELL

Mrs. Vendrell grew up in Illinois and graduated from Palm Beach Atlantic University with a degree in Elementary Education. In 2022, she graduated with a Master's in Reading from the University of Florida. She is excited to start her 5th year of teaching!

MRS. HUNTER

Mrs. Hunter was born in England and has been teaching second grade at CIE since 2004. Many years ago, both of her daughters were CIE students! She loves science and reading. She is looking forward to a great school year!

MS. BARTLEMAN

Ms. Bartleman has always been passionate about teaching and strives to instill the love of learning into her students. She grew up in Weston and graduated from Tulane University. She's excited to start her fourth year teaching 2nd grade dual language!

MRS. DIAZ

Sra. Diaz is a Florida International University graduate with a degree in Elementary Education and certifications in ESOL and Reading. She believes that being bilingual is a superpower and looks forward to sharing her love of Hispanic Heritage with her students. She'll be starting her 28th year teaching at CIE and can't imagine working anywhere else! Second grade is her absolute favorite grade to teach!
