# What is Focus Replacing?

## Systems Replaced by Focus SIS

Focus School Software is an integrated Student Information System (SIS) that replaced the following five (5) applications, to house all functions within one cloud-based system.

# What do I Need to Create a Focus Parent Account?

To create a new Parent Portal account and then attach each of your students, you will need the following:

Parent Information	Student Information
<ul style="list-style-type: none"><li>• A valid email address associated on file with the school(s) for your student(s).</li><li>• If you have multiple students, each student must have the same email address associated with you.</li><li>• Your name must be an <b>EXACT</b> match to the name on file with the school(s) for your student(s).</li><li>• <b>FOR BCPS STAFF ONLY:</b> You <b>CANNOT</b> use your @browardschools.com email address. If that is the email address you have on file for your student(s), please contact your student's school to update the email address on file to a non-BCPS email address.</li></ul>	<ul style="list-style-type: none"><li>• Student's full name (as it is on file at the school – no nicknames)</li><li>• Student's ID number (begins with "06")</li><li>• Student's date of birth</li></ul>

If you need assistance with creating an account or connecting your student to your Parent Portal account, please contact the Information Management Tech (IMT) at your student's school. You can also email [focuscommunications@browardschools.com](mailto:focuscommunications@browardschools.com) and provide all information above and your concern.
