

# Career Technical Education

## What is CTE?

Career and Technical Education (CTE) opportunities provide students with a school-to-career connection. Cooper City High School offers a variety of CTE courses that lead to industry certification, enabling students with the training and certification needed to attain employment right out of high school. All Industry certifications are real-world certifications that are designed, administered, and recognized by industry. Students who earn Industry Certifications may have an advantage gaining employment or be eligible for post-secondary scholarships.
