- Wall jack outlets for cable connections to local and BECON-TV channels

#### Provide Studio Assistance

- Setup your studio equipment
- Train staff on how to use studio
- Troubleshoot/repair your studio
- For the in-house broadcasting of school news and morning announcement programs as well as explain how the system works

#### Assist Other Departments

School Services also works with and assists the following departments:

- **StreamVu** with IPTV and related equipment (\*Remedy Ticket must be created)
- **Distance Learning** with testing and moving video conferencing equipment
- **SIU** to assist with surveillance cameras and Weatherbug repairs

#### DID YOU KNOW?

- School Services is on SharePoint? 
- You can submit work order requests via [Microsoft Forms](#) (the link is on SharePoint)?
- We can setup your morning announcement studio?
- School Services offers a Summer Preventive Maintenance Program for your projectors to help them last longer?

#### DISCLAIMER:

Most installations and some repairs will cost your school money (i.e., install/mount TVs, replace lamps in projectors and other parts as needed). We will provide an estimate before any work involving the collection of money is performed. If you have questions, please feel free to contact us via phone or email.

#### School Services

is here for you,  
so let us help!

We welcome you to contact us. If, for some reason, we can't help you within our department, we will make every effort to point you in the right direction.
