- North Area Update-discussed changes to the bullying policy. If a student is found to have bullied a student and it is substantiated you will be removed from the school for 45-90 days through the Behavior Intervention Program for a first time offense. Cell phones are still not allowed to be used on campus by students, however, they are looking into making changes to the policy to balance the goal and students needs. Silent lunch is something that we participate in at times when a safety issue is at stake. Lights are dimmed for no more than two minutes. Staff treats students with respect with regards to this strategy.
