

# 2024-2025 College Admission Testing

- Standardized tests (SAT & ACT) provide colleges with a common measure to help them make admission decisions. Additionally, they are one indicator of a student's readiness to do college-level work. Test scores may also be used as a criterion for awarding merit-based financial aid. Students may also take the Classic Learning Test for Florida public schools admission and to qualify for Bright Futures.
- The vast majority of higher education institutions accept both the SAT and the ACT for college admission and regard them as equally valid.
- When students should take (or re-take) the ACT or SAT or both, depends on the students' goals. Whether it be individual college requirements, college placement, and/or Bright Futures Scholarship eligibility. It is best for students to allow enough time to re-take a test if necessary.
- Students register through the College Board or ACT web sites. They must create a **Log-In** and **Password**. Please keep this information saved in a notebook for future use.
- Fee waivers are available for students who are eligible for *free or reduced* lunch. Students may request fee waivers for the SAT here: <https://satfeewaiverform.collegeboard.org/feewaiver>.
- Students must print Test Ticket after registration is complete. **Test Ticket** and **Valid ID** must be brought with you on test day. If you do not have **Test Ticket and Valid ID**, you **WILL NOT** be allowed to take exam. Please bring a snack and water on test day.
- CEEB Code or 6-digit high school code for **Cypress Bay High School is 101842**

**SAT**
