TESTING SEASON

TESTING-INFO PARENT NIGHTS

February 12, 2021 was designated as A Day of Service and Love in commemoration of the Marjory Stoneman Douglas High School tragedy three years ago. It was a day for us to give back to the community in honor of the 17 lives lost and those who were injured as well to recognize the recovery and strength of our students, staff and families who were impacted districtwide. Throughout the day students, teachers and staff engaged in activities and volunteer service projects to serve others within our school and community, while also raising awareness about important and meaningful causes and issues. These activities were developed by our very own teachers and staff.

In classes students wrote letters to support our active military, veteran personnel and first responders, and wrote messages of love. Students also participated in a school beautification project by painting rocks of kindness and love, made windmills for peace and revitalized the Hobin garden with orchids. The school counseling department was on hand to meet with students, provide support and have one on one discussions. The math department wrote "Messages of Hope" on colorful cutouts of butterflies that will be in the hallways of the 3400 building. Social Studies provided the Hobin garden with additional orchids while Science students painted the rocks of kindness. Team Literacy focused on positive messages through writing "What We Put in Writing: Our Words Matter". Fine Arts Department contributed the Pinwheels for Peace while JROTC created ribbons for teachers and staff to wear for the week. The CTE department worked on "The Wishing Garden" project and PE hosted "Hoops for Good Wishes and Thoughts". The World Language Department created "supporting hands" where the students cut out a hand and decorated it with words of support and encouragement. The ESE Department had students make "thank you for your service" cards and posters. They also provided lunch to Cooper City first responders. It was a beautiful week of Service and Love.

Our entire District observed a moment of silence on February 12th at 10:17 AM, to honor the Parkland community. It was a beautiful day of service and love and one that will always be remembered.

School Board Waives 40-Service-Hour Graduation Requirement

The School Board has incorporated Service Learning and volunteer service into the high school graduation requirements. Any student who wishes to earn a standard diploma must meet the graduation requirement of 40 documented hours in the Student Volunteer Service Program. However, in response to hardships experienced by students as a result of COVID-19, the service-learning requirement for the graduating class of 2021 will be waived. Please note, this does not exempt the requirements for the Florida Bright Futures Scholarship Program for students graduating in the 2020-2021 academic year.

A Day of Service and Love #2getherInServiceandLove

Bottom Left Corner: The Social Studies department displayed beautiful orchids around the garden and courtyard.
Bottom Right Corner: The Fine Arts department students created Pinwheels of Love.
Top Right: Collage of service projects from all CCHS departments created by students and staff.

This year our schools, district and communities commemorated the 3rd Anniversary of the tragedy at Marjory Stoneman Douglas High School. On Friday, February 12, 2021 at 10:17 a.m., we observed a moment of reflection in honor of the 17 lives lost and those who were injured. From February 8-12, schools across the District engaged students in **A Day of Service and Love** activities leading up to Sunday, February 14. Projects helped to encourage service to others within schools and communities while also raising awareness about important and meaningful causes.

Above: The Science department, students and staff, painted rocks and placed them in our garden as reminders of kindness to be seen every day.

Below: The CTE department students and staff wrote their wish on a star....then took a moment... to wish it true!

Cooper City High School Honorable Mention

CONGRATULATIONS to our SGA + Class Officers for the 2021-2022 school year! Let's get ready for great things!

Congratulations to our incredible students: Ander, Isabella, and Ryan, for achieving the recognition of 2020-2021 National Merit Scholarship Finalists! We are so proud of you!

Congratulations to one of our DECA club officers, Dylan Bober, on his new position of District 9 VP!!!

Congratulations to our CCHS DECA Chapter!

We have 47 National Qualifiers out of 103 State Qualifiers, along with a Diamond Level Business Plan, and one District VP to represent us for the state. We are so proud of you!

DECA:

We are proud to announce that 98 students are participating in our States competition which is happening virtually all week. They have overcome the challenges of our online environment and have proven that they can 'pivot' from the in-person competition that they are used to, to meeting the technical challenges that come with presenting their business plans to an online judge. On Tuesday, the State has planned a conference for all participants at which States winners will be announced!

Also: Our very own Dylan Bober has been elected to be on the executive board for Florida DECA! He will take this position next year. We are very proud of him!

Virtual Enterprise International (VEI)

Both of Cooper City's firms continue to run and operate their startup businesses within VE's virtual economy. One of the perks of 'working' for a VE firm is that day to day operational functions can be submitted for competitions! So far:

OneStream's HR, Finance, Marketing, and Accounting departments have advanced to round 2 and have submitted recorded presentations of their work. The IT department received Honorable mention for their Website and the newsletter competition awaits results.

The C.H.A.T.'s HR and Marketing departments have advanced to round 2, and the IT department placed in the top 10% in the nation for their business website. The management team also advanced to the State level of competition for the National Business Plan competition, and they continue to produce and publish their Podcast on a bi-weekly basis.

Both firms are on track to achieve a spot on the 'VE Top 50', a metric that measures student engagement in the program. Earning a spot in this group is commendable, considering that there are over 600 schools in the program! Go Business Cowboys!!!

Mi Shebeirach Prayer for Healing

These comforting words can be said on behalf of those who are ill. Whether friends or loved ones are struggling with physical, emotional or spiritual challenges, this prayer speaks to our desire for their healing.

May the one who blessed our ancestors, Abraham, Isaac and Jacob, Sarah, Rebecca, Rachel and Leah, bless and heal those who are ill [names]. May the Blessed Holy One be filled with compassion for their health to be restored and their strength to be revived. May God swiftly send them a complete renewal of body and spirit, and let us say, Amen.

Cooper City Celebrated Black History Month 2021

Multicultural Club and the African American history classes presented CCHS Celebrates Black History Month 2021. We created an exciting month's worth of activities and events, complete with trivia contests, virtual tournaments, guest speakers, an arts showcase, and MUCH more. This year's theme was "...And Justice for All." Our goals this year was to educate students on African American history and culture in a fun and engaging way, while also spreading awareness for the social causes that are not only important to the Black community, but to all Americans who care about love and equality.

International Holocaust Remembrance - Wednesday through Friday, Jan. 27-29

Black Movie Trivia Tournament - Wednesday, Feb. 3

Virtual Scavenger Hunt - Wednesday, Feb. 10

Jeopardy! - Wednesday, Feb. 17

An Afternoon of Arts - Wednesday, Feb. 24, 3-5pm

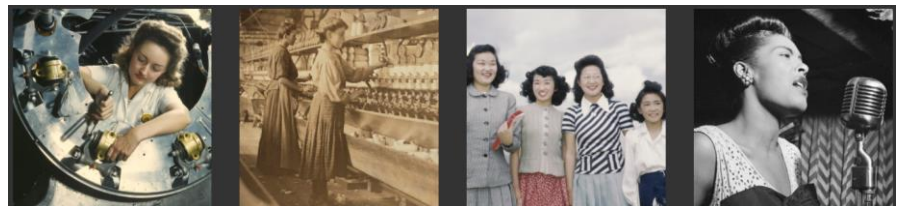

The talent of the Cooper City family was on full display as students and staff virtually gathered to present spoken word, art, music, and more.

Hear Our Voices Roundtable (3-part series) – February 12, Feb. 26, April (TBA)

Students and staff participate in our virtual roundtable to hear speakers from the NAACP Broward and North Carolina Chapters, and the Broward Sheriff's Office discuss the history of organizations such as the National Association for the Advancement of Colored People and issues of policing and criminal justice, particularly in the Black community.

MARCH IS WOMEN'S HISTORY MONTH

Women's History Month had its origins as a national celebration in 1981 when Congress passed Pub. L. 97-28 which authorized and requested the President to proclaim the week beginning March 7, 1982 as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." In 1987 after being petitioned by the National Women's History Project, Congress passed Pub. L. 100-9 which designated the month of March 1987 as "Women's History Month." Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1995, presidents have issued a series of annual proclamations designating the month of March as "Women's History Month." These proclamations celebrate the contributions women have made to the United States and recognize the specific achievements women have made over the course of American history in a variety of fields.

NEW WATER BOTTLE FILLING STATIONS

Broward County Public Schools is pleased to announce that as of Monday, November 23, 2020 all schools have water bottle filling stations available for student and staff use.

Each school location has a minimum of three bottle filling locations. Additional stations will be added to some schools as additional students return for face-to-face instruction.

Following the Thanksgiving holiday, schools will no longer provide bottled water and all students will need to bring a reusable water bottle to school each day.

Additional information about the procedures for these new bottle filling stations is included below.

EXAMPLES OF ACCEPTABLE BOTTLES:

STANDARD HYGIENE:

The District has a limited supply of reusable water bottles available for students in need. Please contact your school Principal for additional information.

FAQ's for Face Covering Violations

• Is a face covering required?

Yes. Policy 2170-E: Face Coverings requires that a facial covering/mask must be worn while on school campus, at a school-sponsored event, and while on school transportation.

• Can a student be issued a disciplinary violation from the Code of Student Conduct for not wearing a face covering?

Students may be issued disciplinary consequences for actions determined to be intentional, insubordinate, defiant and not accidental or incidental, or when redirection and interventions have been disregarded.

• What should I do if a student refuses to wear or keep on his/her face covering?

Provide reminders and redirection in alignment to the school and/or classroom behavior plan. If the student does not comply with the redirection from staff and the action is deemed to be a repeated disregard to the redirection, a disciplinary referral may be written.

• What happens if the student refuses to wear or keep on the face covering while on school transportation?

Bus drivers may submit a disciplinary referral to the school administrator for a Level Two violation if a student does not comply with the reminder and/or redirection.

Note:

- Factors such as age, grade level, social-emotional, developmental and intellectual levels, ability and/or disability, and overall student rights and responsibilities will be considered.
- Students with disabilities who are eligible under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973 (Section 504), have additional rights under IDEA or Section 504 and State Board Rule.
