## 1ST QUARTER

### Look What We Are Learning

#### ELA

All quarter students will work on how to properly ask questions and how text features allows for deeper understanding and clarification that will contribute to the overall meaning of the text.

#### MATH

Students will work on place value up to the Thousandths. Will round multi- digit numbers and will learn how to compose and decompose numbers.

#### SCIENCE

Students will learn all about the Scientific Method. They will make observations and inferences during their investigations.

#### SOCIAL STUDIES

Students will learn all about our Constitution.

#### Our Team:

Mr. Davis, Ms. Schlorf, Mrs. Heckler,  
Mrs. Anguilano, Ms. Morales

### Welcome Back

Welcome to the new 2024-2025 school year at CIE! We are thrilled to begin this final leg of your journey with you. Together, we will create a year filled with learning, growth, and memorable experiences. Let's work hand in hand to achieve success and make this a fantastic year! And remember that you are ALL SUPERSTARS!
