Mr. Tillinger shared information regarding the district initiative for redefining schools. Our Cypress zone in Weston is not currently being considered for redefining. It was noted that area town halls are still taking place throughout the zones that are being considered for restructuring due to low enrollment.

Everglades updates:

Seniors from H.S invited graduated who attended Everglades Elementary school to come back to visit after Graduation. 5th grade Moving up Schedule discussed and shared.

PTA/5th grade committee is hard at work for the end of year activities for 5th grade students. Autograph Day, Movie Day, Picnic, and dance.

Zone updates:

Discussion around the proposed changes by the City of Weston to our neighboring Windmill Ranch Park. This park is used daily by our students, teachers, and PTA fundraisers such as Apex Fun Run. We are in a unique position as our campus is on a very small parcel of land. Other schools in Weston have undergone a shared-space park renovation such as Indian Trace Elementary. Mr. Tillinger notes that Gator Run Elementary in Weston currently also has an adjacent city park under some proposed changes. Parents voiced concerns about Windmill Park proposed addition of parking and construction as the park borders the only entrance to front lot of our school. Mrs. Hines and Coach Kaiser brought up concerns about our annual Field Day week, as we have traditionally used the field at Windmill Park for the past 22 years. It was suggested that parent Weston residents attend the upcoming city commission meeting to speak about our school's daily usage of the park and highlight the unique challenges of the small parcel of land we are on here in the city of Weston.

Mr. Buitrago announced that his company is now offering all active Teachers/BCPS staff a 5% discount on Norwegian Cruise line as a community share promotion.

Call to Order:

A meeting of the Everglades Elementary School Advisory Council was held on Sept. 9, 2024. Chair Jessica Schneider called the meeting to order at 2:33 PM. Allison Berry recorded minutes for this meeting.

Introduction of Members:

Mrs. Schneider introduced all SAC members present along with the guests and their corresponding title/role. Ms. Clavijo (PTA President) will be joining SAC again this year but was not able to attend today's meeting. Mrs. Schneider mentioned that a new ESE parent representative will be joining the team this year. Mr. Buitrago will continue to serve as the SAC community member. The SAC board is a diverse representation of our school community (both faculty and parents) parents nominate parents on the board and school staff nominates school staff positions on the board. A motion to approve all board positions for the 2024-2025 school year was made by David Paz and seconded by Jennifer Kaiser, motion carried unanimously.

Account Balances:

School Recognition (A+) funds = \$22, 342.08

Mrs. Schneider noted the change in the amount of the School Recognition money from May 2024. The payments were continuing to be issued for teachers and staff for their bonus based on pay schedule. There are not any outstanding requests to SAC for instructional materials (i.e. Magnetic Reading).

Mrs. Hines mentioned that the release of this year's accountability funds has not yet been decided upon, but more information will be forthcoming after the October FTE count.

SESIR

School Environmental Safety Incident Reporting

Serious behavior incidents must be reported to the state (i.e. bullying, high-level threats). Mrs. Hines reported that no incidents have occurred on our campus this school year.

Safety and Security

An additional campus monitor has been hired (in addition to the current school resource officer and current campus monitor) for added security, especially around the gate single-point entrance. The second campus monitor allows for the monitors to alternate positions between moving around campus as needed and one monitor to always be stationed at the front gate throughout the school day. Mr. Tillinger reminded the SAC committee that our school campus has a "panic" button installed, and employees/students all have access to the Safer Watch app in order to have direct contact to law enforcement. Alyssa's Alert is also available and working to report any concerns as well.

Updates/Concerns

Mrs. Schneider and Mr. Tillinger confirmed we are off to a great school year. SAC/SAF meeting dates were discussed for the 2024-25 school year.

Mrs. Schneider mentioned that the school improvement plan goals close out and new goals will be discussed at the next meeting.

Mrs. Schneider motioned to adjourn at 2:50 PM. Mrs. Martin seconded the motion and it was carried unanimously.

SAC Adjourns at 2:50 PM

SAF called to order at 2:51 PM

Mrs. Schneider called the School Advisory Forum meeting to order at 2:51 PM.

Mrs. Schneider reiterated about reviewing the by-laws before next month's meeting.

Everglades Updates:

Mr. Tillinger mentioned that our school has 2 portable metal detectors on site (if needed for security). PTA events were mentioned, including a Book Fair that will take place at the end of September. The first PTA meeting will be held Friday, Sept. 13th and a room parent meeting was previously held upon the completion of both Open House events. Mrs. Schneider mentioned that Parent Universities are still being offered (i.e. FOCUS, Leveraging Literacy) by Broward County Public Schools this year; call-out reminders will be made by Mr. Tillinger and Dana Cao (school guidance counselor) to inform parents of all upcoming sessions.

Mr. Paz asked questions regarding the school perimeter fencing project and the parking concerns brought up by the possibility of construction at the adjacent Windmill Ranch Park (which is still in the planning stages). Mrs. Hines mentioned that Field Day and other school events held at the park will take place as usual this year, and that the city commission has indicated that any refurbishment to the park will take place after this school year. There is concern over the inevitable construction timeline as well as the proposed parking areas taking up field usage space that our school uses for special events in addition to daily PE and recess times.

Zone Updates:

Mrs. Schneider reviewed the August 28 South Area Zone District Advisory meeting information for south area (i.e. metal detectors, cell phone usage, redefining zones, building maintenance). Mr. Tillinger noted that our school is not in any discussions for redefining.

Next Meeting Date & Time:

SAF meeting schedule was discussed, with the next meeting being held on October 7th.

Meeting Adjournment:

Mrs. Schneider motioned to adjourn at 3:02 PM, Mrs. Martin seconded the motion. The motion to adjourn was carried unanimously. Mrs. Schneider adjourned the meeting at 3:02 PM.

Allison Berry, secretary for SAC 2024-25.
