

# SHERIDAN TECHNICAL HIGH SCHOOL NEWS

Vol. 3, No. 2

October 3, 2016

## Special Note from the Administration

### Greetings Parents, Guardians & Students,

Last month, we administered an ELA assessment to all 9th and 10th grade students. This assessment provided us with important information about areas of student mastery and the areas of need in English/Language Arts. Based on the results, we have identified language usage, grammar, sentence structure, and editing mechanics as areas in which we will work towards improving. After school SELA sessions (Success in English/Language Arts) are offered every Tuesday and Thursday. We encourage any and all students to attend so they may strengthen those skills.

Saturday, October 1st, the Drama Club held their first car wash of the year at New River Groves in Davie. It was a huge success. They raised enough money to charter their club, as they prepare for their December competition. Looking ahead to November, the Drama & Debate Clubs will be taking "pre-orders" for Holiday Pies. These pies are freshly made from New River Groves, home of *Terry's Famous Key Lime Pie*. There is a large selection of both cream and baked pies as well as their newest creation, Pie-in-a-Jar. Pre-ordered pies will be delivered to the high school on November 22nd, so no waiting in lines.

See **ADMINISTRATION, 2**

### Dates to Remember

Dates to Remember

Parent Technology Night: October 5th (6:30 - 8:00 p.m.)

Awards Ceremony: October 7th (1:50-3:15 p.m.)

No School: October 12th

School Picture Day: October 14th

Midterms: October 24th -27th

## ADMINISTRATION Continued from Page 1

The remainder of October brings with it a month chocked full of events and activities. On **October 5th, 6:30-8:00 p.m.**, we will be hosting our first monthly **BLAST Parent Session** (Beyond Learning at Sheridan Tech) for all STHS Parents/Guardians. I welcome you to join us in these monthly sessions where we will take the mystery out of your child's education. In these sessions, we will teach you how to use the technology your children are using, including the ins and outs of D2L and Focus. We will have college preparation and financial assistance sessions as well as open Q & A's. We also want to hear from YOU. What are you interested in learning? Come October 5th and let us know.

I am thrilled to announce that we will be hosting an **awards ceremony** on **Friday, October 7th**, for students who made the honor roll in the final semester last year, as well as our "Kids of Character" for the month of August. Invitations were sent home for this event which will take place in the cafeteria from **1:50-3:15 p.m.** See pages 11-12 for more information.

**October 14th** is student **Picture Day**. We sent home picture packet forms last week and will send an email with the same information as a reminder. **October 19th**, we will be administering the **PSAT** to all 10th and 11th grade students. Please assist us in assuring your child arrives to school on time for this informative exam. **October 25th & 26th** our fabulous Marine Science students will be going out to sea on a "**shark tagging**" adventure. Students will engage in this research technique which will aid scientists in the continued monitoring and tracking of sharks. **October 27-30** our outstanding **Debate Team** will attend the prestigious **Blue Key tournament** in Gainesville.

**Did you know that we have 15 clubs here at the high school?** Here's a quick snapshot of what is happening right now: Student Government (S.G.A.) has been working hard to schedule numerous events for the entire school to enjoy; Debate is under way engaging in tournaments; Drama is raising funds to charter their troupe; the Key Club and Mu Alpha Theta (math honor society) are also in the process of acquiring their charter; Cheerleading and Dance clubs are preparing for our Sports Club competitions; Multicultural club is preparing an event to celebrate Hispanic/Latino Heritage month; the Business Professionals of America (BPA) are preparing for their first competition in December; Teen Readers' club is preparing for a district-wide "Battle of the Books" competition in April with the reading of 15 award winning books; the Multi-media production team has been producing WOLF TV's daily "Morning Howl" news using our new professional broadcast studio equipment; and Yearbook members have also prepared the layout and theme for this school year's yearbook - stay tuned for details and purchasing information! Thank you for supporting your children in these extra-curricular activities.

On a final note, Broward County School Board has initiated a district wide movement towards improved student attendance. In a block schedule, 1 missed day is like 3 missed days. Data shows that when a student returns, they have present curriculum to learn as well as the missed curriculum, causing academic challenges. Please be aware of the importance of having your child in school. Let's strive to keep your child's absences under 5 for the whole school year.

Thanks for all that you do.

Mary Barba, Assistant Director

**Student Government Association (S.G.A.)**  
**~ Wendy Payne, Club Sponsor**

**Get in the Spirit! Spirit Week is Coming!**

The week of October 17-21 creates an opportunity for STHS to build “team spirit” and community during Spirit Week!

The themes are as follows:

Monday - Favorite Team Day  
(Come dressed in the colors or jersey of your favorite team.)

Tuesday - Tacky Tourist Tuesday.

Wednesday - Pajama Day

Thursday - Partner/Twin Day

Friday - Class Spirit Day  
(Wear your class colors.)

STHS S.G.A. has been selected to chair the Broward County Association of Student Council Environmental Project. This is a huge step forward for us as our students will now be reporting the project status at each monthly district meeting. Each middle and high school will send the information on their environmental projects to us and we will be responsible for recording and keeping track of which schools participated in this district-wide initiative. This is a great way for our kids to step up their involvement with the district, as well as increase and improve Sheridan Tech's visibility and reputation.

S.G.A. held its first “Dash for Cash” on Wednesday, the 28th. Students came to each class to collect loose change and walked away with \$109.98 after 10 minutes! Not bad for a few minutes work! Thanks to all students and staff who contributed to this effort! Additionally, SGA had a successful bake sale on Friday, September 23<sup>rd</sup>, resulted in \$176.00 profit!

**Youth Empowerment**

**~ Mrs. Rattray, Club Sponsor**

**Youth empowerment** is a process where children and young people are encouraged to take charge of their lives and are focused on creating greater community change. As such, STHS' Youth Empowerment Club will focus their efforts on Developing and Running Their Own City. To accomplish this, students will:

- Make their own unique city
- Manage the cities infrastructure
- Make improvements to create a sustainable and happy place for the citizens of YOUR city - Name your city
- Visit their neighbors' city and offer assistance

Club members will meet one Friday per month to discuss the overall condition and progress of their city. Each city will be comprised of the following: City Council, Social Services, Community Services, Economic Development Board, and an Education Board.

**Youth Empowerment Meeting Dates**

Oct. 14, Nov. 4, Dec. 2, *January-No meeting*, Feb. 3, Mar 3, April 7, May 26-Last meeting of the year

## Drama Club Sponsors Car Wash!

The Drama club held its 1<sup>st</sup> car wash Saturday, October 1<sup>st</sup> at Bob Roth's New River Grove, located at 5660 Griffin Rd, in Davie from 8:00 a.m. to 2:00 p.m. 16 drama club members came out in full force along with their Club Sponsor, Mrs. Charles, Speech & Debate teacher, Mrs. Friedman, and our phenomenal Assistant Director, Mary Barba! Their hard work paid off earning a profit of \$417.00!

## Teaching & Learning Spotlight

### "Debate Team is On Fire!"

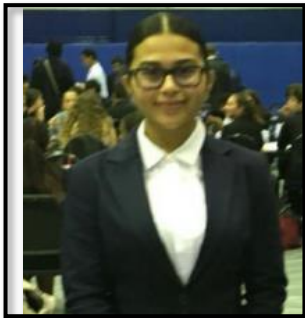

~ Renka Friedman, Speech & Debate Teacher, Coach

On Saturday September 24, The STHS Debate Team, The Howlers, competed in their very first tournament of the season. At The Flying L's at Fort Lauderdale High School, The Howlers held their own and emerged as some of the leaders of the pack.

In the Speech events, our Speech captain, **Sierra Richardson** placed 4th in the Varsity Original Oratory Di-

Sierra R. & Lorena M.  
Hard work pays off!

Maria G., Public Forum, 4th Place

On the Debate side, our Public Forum Team **Emmanuela Yiannikakis** (not pictured) and **Maria Garcia** came in an impressive 4th place. The Howlers are off to an amazing season and can't wait for the world to hear their Howl!

**Go Wolves!!!**

### Individual & Dual sports

~ Ms. Marisa Santana, Teacher

Individual and Dual sports has been filled with exciting events over the past four weeks. Students participated in swimming, canoeing, kayaking, and paddle boarding. Ms. Santana's class experienced overall enjoyment in learning skills from swimming to learning how to recover a cap-sized canoe. These new found skills have allowed students to work together as a team while also working at an individualized pace. We look forward to the many more activities to come for the remainder of the semester.

3rd Block

2nd Block

## Lifeline to Literacy

~ Esther Charles, Literacy Coach

Students have been doing a great job becoming accustomed to the routines of our school. Teachers have been hard at work presenting creative and innovative lessons to your child.

As part of our literacy initiative our 9<sup>th</sup> and 10<sup>th</sup> grade students recently took the *Measures of Academic Performance (MAP)* diagnostic assessment. Students showed diligence, used their time wisely, and put forth effort throughout the test. We will be using the data to pinpoint areas of growth and work towards mastery of skills in reading comprehension and language usage.

In addition to the initiative, we will be implementing a Reading Instruction Focus Calendar (RIF). Students will focus on specific literacy skills that will be incorporated in core subject areas. This month we will concentrate on:

- Analyzing the central idea of a passage
- Citing textual evidence to support an idea
- Summarizing informational text

Remember to take a moment to read a book for pleasure and reflect on the emotional connection you have after finishing.

How does one juggle all of his/her academic responsibilities with success? Get a grip on **time management and study skills** and explore the many resources available to help you do just that! Simply, click on the Media Center tab from the Sheridan Technical HS web page or click on [http://browardschools.libguides.com/sths\\_mediacenter](http://browardschools.libguides.com/sths_mediacenter) and select the Study Skills, Resources & Strategies tab.

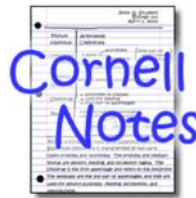

Be sure to also check out the College (TEST) Preparation tab filled with apps and resources to help prepare students for the SAT & ACT upcoming exams!

## Book Bytes & More

~ Michele Rivera, Digital Learning Specialist

Notetaking should be an act of learning, instead of just mindlessly copying everything you hear or read. The format and structure of notes should be adapted to one's learning style, whether they are audio recorded, visually represented (outline or visual map), or typed/handwritten.

Many students have expressed their struggle in taking effective notes. As a result, Ms. River facilitated a note-taking session with students in Ms. Fort's World History class. While there are many ways to take notes, the Cornell method was one method shared. Utilizing this framework helps students organize notes and improve study skills, ultimately leading to academic success. With continued practice and application of strategies learned, students are able to identify gaps, clarify misunderstandings, and/or make appropriate connections.

Students and teachers can refer back to the (FINDS) module in the Innovative Learning Center's D2L course where they will find additional resources and tools that may appeal to their unique learning styles on the notetaking process.

**★ NAVIANCE**

We were glad to come around to your classrooms and reinforce the use of *Naviance* to help with your career/college/scholarship search. Be sure to complete the tasks that you've been as signed on *Naviance*! To access Family Connection go to:

<https://connection.naviance.com/sheridantc>

The login ID is the student's **10 digit Student ID Number** and the Password is the student's **date of birth** in the following format **MM/DD/YYYY**.

## GUIDANCE GURUS, Continued

### ★ COLLEGE FAIRS

There are many College Fairs available in the month of October. See *enclosed flyers on pages 13-16*.

### ★ DRIVER'S ED

Thank you to all the students who turned permission slips for our Saturday Driver's Ed Course. Registration for the course is currently closed. Students who wish to be placed on a waiting list should see Ms. Schiling.

Class Dates: 10/15 - 12/17  
(Saturdays)

Time: 8AM - 12PM

Location: Sheridan Technical College - **West Campus** - 20251 Stirling Road, Pembroke Pines, FL 33332

*\*No STHS transportation provided\**

### ★ SCHOLARSHIP OPPORTUNITY

Broward County Public Schools work with the South Florida law firm Boies, Schiller & Flexner, located in Fort Lauderdale. The firm is launching a scholarship opportunity for local high-school students in Broward County's public schools. The contest, called *Art in the Office*, is an art contest that pairs with nonprofit Cary's Kids to provide the scholarship money. The contest rules and prize information and **form are attached**.

### 9th Grade Update ~ Mrs. Segal

I hope everyone is getting used to their classes, the technology and the rhythm of STHS. Clubs are up and running...are you participating? It's never too late to join.

Great job to those 9<sup>th</sup> graders who participated in the beach cleanup for service hours. Please get your signed forms back to me so that I can get the hours posted to your transcript. Remember, you need 40 hours to meet the minimum graduation requirement. Many more hours are needed for scholarships or the coveted silver cord at graduation. Information and printable forms for service hours can be found on D2L under "Guidance Gurus".

First semester ends on October 27<sup>th</sup>. At this time, your first set of *permanent* high school grades will be posted to your transcript. Make sure you are earning the best grades you can by doing 100% of your homework and studying for your tests. Tutoring is available. Every. Single. Day. There is no reason for any of you to not be successful here! You must maintain a 2.5 un-weighted GPA to remain in the pack.

Make sure you have logged onto Naviance and completed the *Strengths Explorer Quiz*. I will be monitoring your activity and need 100% participation.

Remember to let me know if you are having any difficulties in your classes, with your computers or anything else...I'm here for you!

The Florida Department of Education  
Released the 2015-2016 School Grades...

**Congratulations**  
**Sheridan Technical High**  
for being an "A" School!

# ABC

## TEACHING & LEARNING, Continued

**Career Placement Students Exercise Their Civic Duty**, ~ Mrs. Golden & Mrs. Judd, Teachers

Career Placement had representatives from the Board of Elections visit our students to register them to vote. We all realize that it is a great privilege and a real responsibility to participate in the voting process and help elect the next president of the United States. Our students are grateful for this opportunity.

**Career Placement Students Gain Employment Experience at STHS!**

### Bookstore:

Shanti Golden, Career Placement Instructor, is very pleased to introduce Stella Marhone as the new STHS bookstore clerk. She is a graduating Career Placement student and will be responsible for running the bookstore. Stella is very friendly and helpful and will be a great addition to the staff

Pictured L to R:  
Stella M., Mrs.  
Golden, Teacher,  
Tatyana F., Mrs.  
Ball, Job Coach

### Innovative Learning Center (ILC):

Mrs. Rivera is also thrilled to introduce Tatyana Freeman, one of our Career Placement students, who now works in the ILC as clerical support. Her job responsibilities include checking in/out materials from students and staff, maintaining a neat and orderly environment, ensuring printers are stocked with paper, and any other duties that might arise to support the smooth and effective management of our ILC. She is welcoming and friendly and a great addition to our team!

## Kids of Character Recognition

The Month of September's character trait, Cooperation, recognizes **Erik Rodriguez**, nominated by Tech Studies, Lab Facilitator, Zsale Haghighat. She states "Erik always participates in class with valuable insights and possesses a warm demeanor willing to peer tutor any and all fellow students." Congratulations, Erik, for modeling exemplary behavior!

## Honor Roll & Character Awards

**October 7, 2016**

**1:55 – 3:15 p.m.**

**Sheridan Technical HS Cafeteria**

See **PROGRAM**, Pages 11-12

## CharACTer Counts@STHS

**For the strength of the pack is the wolf... and the strength of the wolf is the pack!**

~ Rudyard Kipling

The Character Education recognition program is aligned to our fundamental belief in the **Coalition of Essential School Principles**. When teachers and students work together based on common principles, the learning environment is beneficial to all stakeholders.

The character trait for October is "**Responsibility**." Developing a working knowledge of responsibility allows one to use one's mind well and take the lead in one's learning. Teachers become facilitators and the students become the drivers. Students can demonstrate mastery with a variety of evidence.

### What can you do to demonstrate responsibility?

*When you agree to do something, do it. When you follow through on your commitments, people take you seriously.*

*Answer for your own actions.* Don't make excuses or blame others for what you do. When you take responsibility for your actions you are saying "I am the one who's in charge of my life."

*Be trustworthy.* If somebody trusts you to borrow or take care of something, take care of it. If somebody tells you something in confidence, keep it to yourself.

*Always use your head.* Think things through and use good judgement.

*Don't put things off.* Doing things on time helps you take control of your life and shows that you can manage your own affairs.

### The Coalition of Essential Schools: Common Principles

1. **Learning to use one's mind well**
2. Less is more: depth over coverage
3. Goals apply to all students
4. Personalization
5. **Student as worker, teacher as coach**
6. **Demonstration of mastery**
7. A tone of decency and trust
8. Commitment to the entire school
9. Resources dedicated to teaching and learning
10. Democracy and equity

**Responsibility** is the character trait for October.

**Daniel Robert Boegli, Director**  
**Mary Barba, Assistant Director**  
**Susan Collins, Magnet Coordinator**

***"Way More Than A Diploma"***

**Sheridan Technical High School**
