

About Us

Stephen Foster Elementary School has served generations of families in this community for nearly 70 years. School Administration is extremely visible and active around campus.

Our current student enrollment is approximately 670 students, from Pre-K to 5th grade. This includes VPK classes, Exceptional Student Education (ESE) Pre-Kindergarten classes, Kindergarten through 5th Grade Special Program, and Gifted/High Achievers classes.

In every classroom you can find Promethean Interactive Boards and one to one laptops. Students have access to age-appropriate text, math manipulatives, and a variety of other resources. Students have flexible seating to increase engagement in a space that works best for them.

Our teaching staff includes teachers who are ESOL, Reading, and Gifted Endorsed and many have or are pursuing advanced degrees.
