Deerfield Beach Elementary School

Principal's Message

Hello DBES families,

We are quickly approaching the end of a long, challenging, yet successful year. As we approach the end, please look out for wonderful wrap up events planned by our amazing teams. They will send them out through their usual forms of communication.

As we wrap up, please remember we will be collecting laptops and chargers from all of our students. For our virtual students, please be aware of our laptop collection dates:

Wednesday, June 9th from 1 PM to 5 PM

Thursday, June 10th from 11 AM to 5 PM

Friday, June 11 from 8 AM to 3 PM

Laptops must be dropped off in the front office. Please also remember to return your power cords. When you return the laptop, please notify staff of any issues so we can properly repair them over the summer.

We are also still in the process of organizing and communicating out information for our multiple different summer school experiences. Please look out for parent communications and confirmation pages going home in your child's backpack over the next few days!

We are almost at the finish line and I am so proud of our students, teachers, staff, and families for working together and surviving what can easily be considered our most challenging year ever!

Sincerely,

Drew Gerlach

Proud Principal of DBES
