Parent Support Groups

Support Group for Moms

This group will provide an opportunity for you to share common feelings, fears and experiences that only parents of a child with a developmental disability can understand. In addition, the group provides support and community resources addressing topics that are relevant both today and for the future of your family.

- When:** Thursdays (weekly) 9:30 - 11:00 am
1st Thursday of the month from 6:30 - 8:00 pm (Moms Evening Group)
2nd Thursday of the month from 6:30 - 8:00 pm (Single Parents Group)
4th Thursday of the month from 6:30 - 8:00 pm (Moms Evening Group)

Support Group for Dads

This group provides a special opportunity for dads to discuss the unique concerns of fathers who are raising a child with a developmental disability. Dads will have a safe and private place to talk with one another and learn new strategies to cope with day to day challenges.

- When:** 1st Tuesday & 3rd Thursday of every month from 7:00 – 8:30 pm
Cost: Free of charge

Support Group for Grandparents

This support group is for any grandparent who has a grandchild with a developmental disability. We understand that grandparents are deeply affected by the challenges faced by their children and grandchildren and need a place to address these concerns. This group provides an opportunity to openly discuss feelings of fear and denial, concerns about what the future may bring and offers strategies on how you can be as supportive as possible of your children and grandchildren. Grandparents are invited to attend this “brown bag” group (bring your own lunch) led by a member of the JAFCO clinical team and lend and receive support from other grandparents of children with disabilities who truly understand how you feel.

- When:** Bi-Weekly on Wednesdays from 12:15 - 1:30 PM
Cost: Free of charge
