

PARENT WEEKLY BULLETIN

GROWING GREATNESS, ONE STUDENT AT A TIME

AUGUST 19, 2024

Greetings Griffin Families,

We had a successful first week of school. It was wonderful to see the students back at school. They have adjusted quickly to the school routine and even took their first iReady diagnostic. The purpose of the diagnostic is to see the starting point of where the students are to make data driven decisions on instruction.

I am also impressed with our Kindergarteners. Most of them can find their own way to the cafeteria from the car line. Thank you, parents /guardians, for your patience in the car line. It will get better and faster over time. Curbsmart – a carline app, will start in September. More detailed information will be given, once we get closer to implementation.
