GROWING GREATNESS, ONE STUDENT AT A TIME

NOVEMBER 8, 2024

Greetings Griffin Families,

Thank you, parents, for your participation in collecting donations for our fun run. Currently the school has raised over \$36,000. Way to go parents and PTA! Our goal was \$50,000. Let's see what the weekend challenge brings?

The Fun Run was a great success today for all students. I had fun dressing up in a chicken costume and entertaining the students. Selected students who were the top earners got the opportunity to silly string me while I did the chicken dance. A day to remember!

Monday is no School. We Salute our Veterans on this special day!

The School Advisory Committee (SAC) meeting tentatively scheduled for Tuesday, November 12, 2024, is cancelled. The proposals were voted upon by the staff and one of the proposals won. Therefore, the committee does not need to meet. Our next meeting will be the regularly scheduled one to be held on Monday December 2, 2024.

The following Monday, 11/18/24 will be our first quarter Honor Roll Ceremony for selected students. Students who scored A's, A/B's, Perfect Attendance will be recognized. Next Quarter we will also recognize students who showed improvement from Quarter 1- Quarter 2 – On A Roll to Success Award. This gives the opportunity for most students to be recognized.

Time:

8:20 am -8:50 am – 5th Grade

8:50 – 9:25 – 4th Grade

9:25 – 9:50 – 3rd grade

We will stream it for parents who cannot attend. Link will be sent home on Friday 11/15/2024 via parent link

Next week is National Psychologist Week. We want to say thank you to Ms. Rosemary Elijaua, our school psychologist. We appreciate all that she does for Griffin. It is also World KINDNESS week.

On Wednesday we held out Student Council Election. Congratulations to the winners!

All student council members will meet monthly to spearhead various charitable initiatives for our school. Thank you to the members that campaigned for positions. Your posters and speeches were amazing.
