

PARENT WEEKLY BULLETIN

GROWING GREATNESS, ONE STUDENT AT A TIME

SEPTEMBER 20, 2024

Greetings Griffin Families,

A big thank you to the **Book Fair and Grandparents Day** coordinators. It was a huge success. Thank you to the grandparents and families that attended.

On Monday is our SAC (School Advisory Committee), SAF (School Advisory Forum) and PTA (Parent and Teacher Association) Meetings. This is a public meeting and will be held in our media center and is open to all parents and caregivers. We usually discuss our school budget, school improvement, community information, policies and much more. It is an informational meeting from 2:15 – 3:30 pm.

On Friday, September 27, interims will be sent to you via email and the parent portal. Please check on the Broward school's website on how to register.

[Parent Portal Registration - Broward County Public Schools \(focusschoolsoftware.com\)](https://focusschoolsoftware.com)

On Wednesday will be our **first PTA store**. Once a month student can shop on the cafeteria stage between 7:30 – 7:55 am. They can purchase small items for themselves. Most items range from \$0.50 to \$5.00. Students learn how to shop on their own if they have money. Parents will not be allowed to shop with their children. Volunteers will be there to assist till they become independent.

Our first \$1.00 **Icee Sale** will take place this Friday. This will also be a monthly event. Sales will take place in the car loops and cafeteria.

On Friday **Florida Dads take your child to school** day. When you drop off you students, we will take pictures and give you a small treat.

RATIONALE: Research suggests that when fathers and/or male role models are engaged in their child's education, students perform better academically, have fewer discipline problems, and become more responsible adults. Florida Dads Take Your Child to School Day is a statewide initiative of the Florida Department of Education to encourage fathers and male role models to engage in the education of their children.

Hispanic Heritage Month September 15- October 15. Students in different classes are working on projects. I will post pictures soon on FB.
