

PARENT WEEKLY BULLETIN

GROWING GREATNESS, ONE STUDENT AT A TIME

SEPTEMBER 5, 2024

Greetings Griffin Families,

This was a short, but busy week. Please review the attached documents to be prepared for Fall Picture Day tomorrow, 9/6.

Also, Curb Smart will be starting Monday, please make sure you have your car tag visible when entering the car line and keep it up throughout the whole process. If you do not know your child's Curb Smart number, reach out to their teacher. Please be patient for the first couple of days. Dismissal will take a little longer, as we get accustomed to the App. It worked very well last year.

If your child is a walker or biker, they will be released at 2:00 pm. If you park and walk to pick up your child – your child is a walker. Notify the teacher to release your child at 2:00 pm. If there is a change of dismissal for the day, call the office before 1:30 pm. Older siblings will be released as their number comes up on the screen. They need to meet their younger siblings in the North loop.

Urgent Reminder from Ms. Dunakin:

Please complete your Back-to-School Forms

School starts promptly at 8:00 am. It is recommended to drop off students by 7:55 am if they are not having breakfast.

Thank you
