Dear Business / Community Partner:

On behalf of the Board of Directors of Partners In Education, Inc., and Broward County Public Schools, thank you for becoming a Partner In Education with one of our schools.

We believe that you will find this to be one of the most rewarding community involvement experiences on which you will ever embark. By volunteering your time, talents and resources with a school, you are helping to shape the next generation of leaders and workers in our community.

As discussions with the School Partnership Liaison continue, many additional opportunities for engagement will present themselves. The challenge is always to find the right fit for you while supporting the school and students in the most effective manner. Our Web site (browardpartners.com) contains information that may help you as you continue to build your partnership.

Should you have any questions, please call our Executive Director, Nina Randall, at 754-321-1974 or Email NRandall@browardschools.com.

Best wishes and thank you for being a Partner In Education.

Sincerely,

Dr. Jamie Manburg
President
