

WE RECYCLE

The Energy Conservation and Utility Management Department wants to thank everyone for their continued efforts to RECYCLE. Together we have greatly increased the participation and quality of the program over the past year. RECYCLING truly works when we make it a normal part of our daily operations. Our Administrators, Custodial and Cafeteria Staff, our Teachers and most importantly our Students will all play a vital role in continuing the success of the program. Please get involved and get on board to REDUCE, REUSE AND RECYCLE every day.

Each Broward County Public School location's designee(s) will be responsible for delivery of recyclable materials from areas within the facility to the recycling collection dumpsters. All materials will be commingled in the collection dumpster. These materials will include, but not be limited to:

- 1.) Mixed paper products including: Flattened corrugated cardboard, Office computer and copier paper, newspaper, magazines, catalogs, telephone, manila folders, envelopes and junk mail
- 2.) Commingled food and beverage containers including: Aluminum cans, Juice boxes, milk and juice cartons, glass bottles and jars, plastic bottles and jugs

IMPORTANT: ONLY RECYCLABLE MATERIALS ARE TO BE PLACED IN THE COLLECTION DUMPSTERS. PLEASE: NO BLACK BAGS, REGULAR TRASH, LIQUIDS, OR FOOD PRODUCTS OF ANY KIND. ALL CARDBOARD BOXES NEED TO BE BROKEN DOWN TO CONSERVE SPACE, AND ALL FOOD CONTAINERS MUST BE CLEANED BEFORE BEING PLACED IN THE RECYCLING DUMPSTERS

We will always welcome your ideas and suggestions on improving the success of the program, including ideas pertaining to incentives and recognition programs. By working together to increase the RECYCLING volumes, we will significantly reduce the impact waste has on the environment, while reducing the School District's operating costs. Please contact Environmental Conservation and Utility Management Department at 754-321-4220 or notify the emshelpdesk@browardschools.com, if you have any ideas, need supplies have questions, and/or requests. Thank You!
